

Friends of the Van Alstyne Public Library

The Friends of the Library is a volunteer group dedicated to making Van Alstyne Library the best it can be. We work with the Library to provide funding support for programs, books, and other vital resources. We fund the entire 8 week Summer Reading Program!

HOW YOU CAN HELP

- **Become a member:** Complete the form below and return with your membership dues.
- **Volunteer:** We have many opportunities in the library, at our fund raising events, and from home.
- **Support:** Attend programs, financial gifts, use library services, remember the library as memorial gift.
- **Attend:** Give your time and service to meetings and events. Visit our website or Facebook page to see when the next meeting is held.
- **Spread the word!:** Introduce new neighbors and friends by telling them about our library. You may be surprised how many people are not aware we're here.

If you haven't been to library lately... go!
